

Exceptional multi-purpose commercial property. Current use offers 3 main floor spacious office spaces, bathrooms, and storage. The upper floor offers a large conference room, bathroom, coffee café room and storage space. The lower level offers an open spacious conference / training room with kitchen and convenient storage closets. This historic brick building has been tastefully updated with accent crown molding and trim, new flooring, modern LED lighting, new heat pump mini splits and more. There are 10 parking spaces. Offers many possible uses – office space, salon / spa, daycare, retail, medical / dental, counseling center and more. Easy access, traffic exposure volume for great exposure to client's visibility. All items on premise negotiable with one exception noted on disclosure.
